VELAR HB

VELAR

Specially designed for manager purpose, leatherate upolistry with high density form synchronised mechanism

VELAR MB

VELAR VC

A close-up, black and white photograph of a dark mesh fabric. The fabric has a consistent diamond-shaped weave pattern. The lighting is dramatic, coming from the left, which creates a strong highlight on the left side of the mesh, revealing the texture of the individual threads and the depth of the weave. The right side of the image fades into a dark, almost black background.
